

WHO WE ARE

Security Shutter & Screens is based in the Dallas/Fort Worth area in the beautiful Southwest. We are the region's leading supplier of professionally-installed security shutters & screens, retractable insect screens and motorized patio shades. Custom made to blend seamlessly with your home's décor we have solutions for doors, windows or large openings.

Whether you want to expand your living space, provide security, protect your home from insects or enjoy enhanced natural ventilation or solar shading, Security Shutter and Screens has the expertise and shutter or screening solutions to fit your needs.

With a wide range of colors, mesh options and motorization, we have security shutters and screens for every style of home and budget.

OUR PRODUCTS

Security Screen Doors & Windows

Stainless steel mesh, keeps out intruders and insects while allowing airflow and provides a barrier against weather and storm debris

Security & Storm Shutters

Compliment and protect your home or business from severe weather and intruders. Impact Tested & Hurricane Rated against storm driven debris from wind gusts up to 150mph

Motorized Patio Screens

Control your lighting, add privacy to your existing living area or convert any space into a 4-season room while receiving protection from insects and harmful UV rays

Manual Patio Shades

Interior or Exterior, crank-operated shade protection for your patio

Louvered Roof Systems

Control light, ventilation and enjoy protection from the weather

Retractable Roof Systems

Enjoy blue skies, starry Texas nights or protect your outdoor area from sun or rain

Garage Door Screens

Enhance your work area or transform your garage into an enclosed patio

Customize your outdoor space!

We also offer stationary screened enclosures: Patios, Porches, Outdoor Kitchens & Pergolas
